

Relationship with Living Church Ministries, Inc.

Our Ministry is based upon our relationship with God. As our relationships with one another are a reflection of our relationship with our Father, our relationships with one another are of the highest value.

Be in relationship with the Living Miracles Ministry through:

- Receiving inspired emails through our mailing list
- Attending or holding scheduled services and events in person or via the internet
- Being in communication with members and ministers of our global Living Miracles Ministry throughout the year either in person, via email, telephone or Skype contact
- Joining our online communities and visiting the Living Miracles websites for updates of what is happening locally and around the world
